## Dear customers / Sehr geehrte Kunden

**[EN]** We hereby present to you our updated seed and seedlings catalogue!

As you can see, it has been modified so that the most important information is shown with icons. You can easily find the meaning via the extra folded paper on the last page. Via the QR code next to the products, you are redirected to our website where you can find a more detailed explanation, if desired.

As always, our range is carefully compiled after multiple tests, both in production and on the trial field. Only then are they included in our catalogue to ensure guaranteed quality for us, for you and the end customer!

Besides the existing range, you will of course also find some novelties (see page 4) that passed these tests with flying colours.

Both teams of our family businesses are ready to serve you again!

**[DE]** Hiermit präsentieren wir Ihnen unseren aktuellen Saat – und Jungpflanzenkatalog!

Wie Sie sehen, wurde er dahingehend geändert, dass die wichtigsten Informationen mit Symbolen dargestellt werden. Sie können die Bedeutung leicht über das extra gefaltete Blatt auf der letzten Seite finden. Über den QR-Code neben den Produkten werden Sie auf unsere Website weitergeleitet, auf der Sie, falls gewünscht, eine ausführlichere Erklärung finden.

Wie immer wird unser Sortiment nach mehrfachen Tests, sowohl in der Produktion als auch auf dem Versuchsfeld, sorgfältig zusammengestellt, so dass nur das enthalten ist, was sowohl für uns als auch für Sie und unseren Endkunden eine garantierter Qualität bedeutet!

Neben dem bestehenden Sortiment finden Sie natürlich auch einige Neuheiten (siehe Seite 4), die diese Tests mit Bravour bestanden haben.

Die beiden Teams unserer Familienunternehmen sind bereit, Sie zu beliefern!
